**Las Putas se enfrentan constantemente al estigma por su elección laboral. Frente a la mirada moralista y discriminatoria hacia las personas que optan por ofertar servicios sexuales a cambio de dinero el orgullo es una respuesta política. Este año AMMAR se sumó nuevamente a la Marcha del Orgullo LGBTIQ Argentina.**

Por primera vez se incluyeron en las consignas y el documento colectivo, la identidad de Trabajadoras Sexuales y los reclamos por derechos laborales y contra la violencia institucional. Aquí la fotogalería.
